# Multiple educators in India vouch for our offerings

*“We found Teachmore while exploring a platform that offers necessary services to launch our natural building courses online. The features such as **DRM encryption, iOS app, drip content** set Teachmore apart from the others”*

Dharan Ashok, Thannal Natural Homes

*“I moved my 5000 students to Teachmore for **multi-currency support, white- labelled mobile app, marketing integration,** and every big and small feature that helps me scale my academy and grow online.”*

Amit Rana, Kitflix

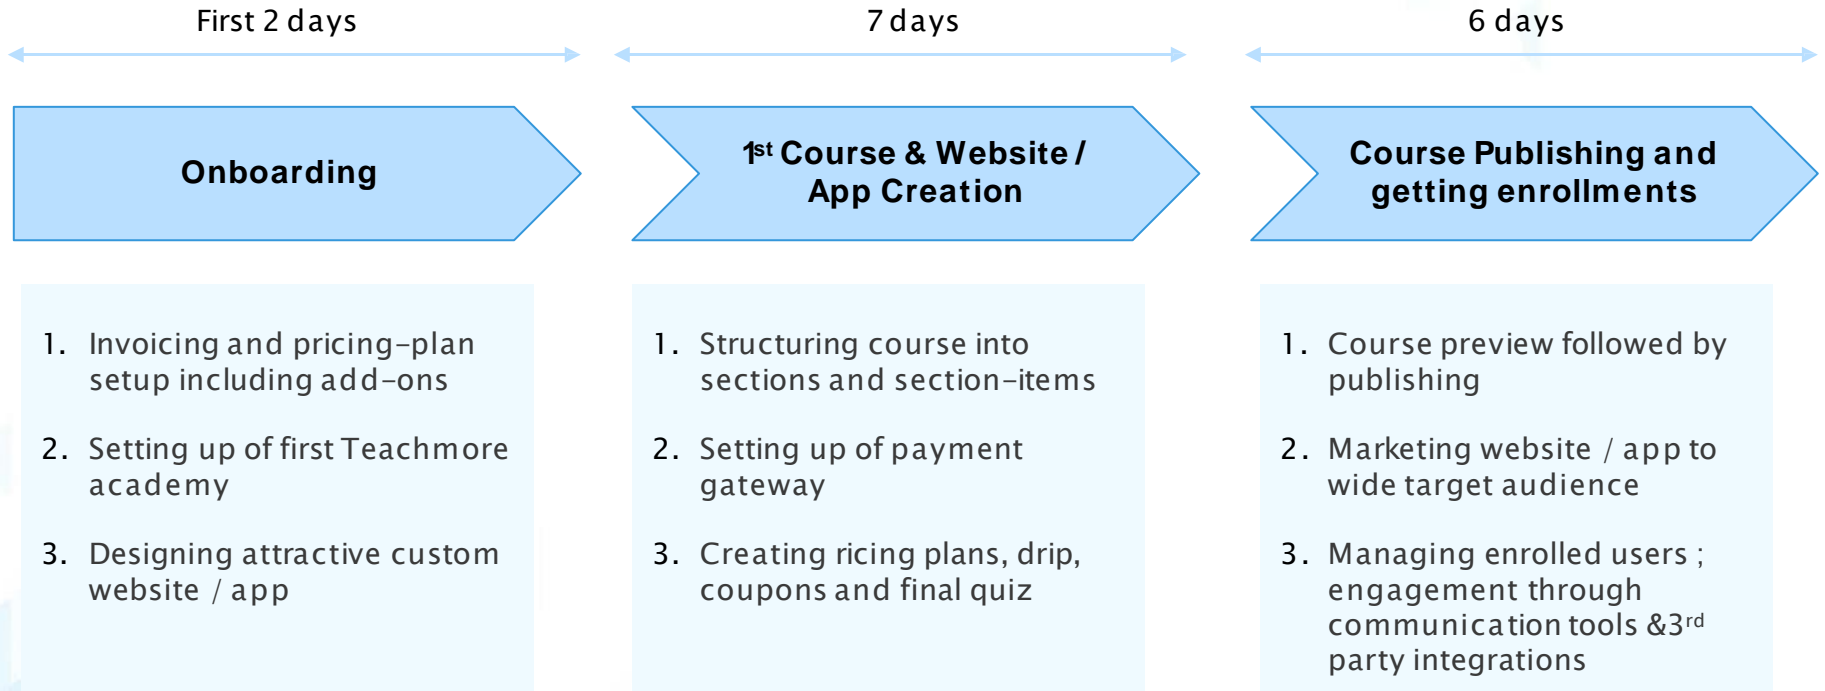

*“We covered **22 countries in just 1 month through android app installations** via old students as well new ones . Thanks for supporting us and providing us a dashboard where we can **easily check the details of our student reach**”*

Chandra, NDT Worldwide

# Teachmore will provide support across entire course selling journey

**Our support allows creators to start earning in just 2 weeks !**

# Thank You !
